Summons In a Civil Case

Case No. CA 04-369 ERIE

Corey L. Harris Sr

Vs

Vivian Tate

Motion to Strike / *Answer to complaint*

To Whom It May Concern:

I plead not guilty to the erroneous charges alleged in this case. These charges have no merit. I am a law abiding citizens and these charges defame my character and professional reputation. Also the "brief" of sorts that was hand delivered to my residence via US Federal Marshall, is illegible and incoherent. Of what I could interpret in the "brief", all the accusations were false.

WHEREBY, I petition the court to have this case dismissed for lack of evidence.

Sincerely,

Vivian C. Tate
